

LIMITED ENGLISH PROFICIENCY INSTRUCTION

The Board of Education believes that students who, by reason of foreign birth or ancestry, have limited English proficiency will be more effective learners of both the language and the curriculum if they receive instruction in both their native language and English. The district will therefore make every effort to ensure that LEP students are:

1. diagnostically screened for limited English proficiency in accordance with Part 117 of the Commissioner's Regulations. Those students who according to their scores are identified as LEP will be annually evaluated. Included in the evaluation shall be each student's performance in content areas to measure academic progress;
2. assured of access to appropriate, instructional and support services, including guidance programs; and
3. assured of having equal opportunities to participate in all school programs and extracurricular activities as non LEP students.

The Superintendent shall be responsible for ensuring that the Commissioner is provided with all information required under the Commissioner's Regulations and that the district provides appropriate school related information to the parents of LEP students in English, or when necessary, in the language they understand. In addition, the Superintendent shall ensure that all teachers employed for any bilingual and/or ESL program are properly certified in accordance with the Commissioner's Regulations.
