PLATTSBURGH CITY SCHOOL DISTRICT

Residency Verification (to be completed by the Board of Education designee)

Residency is the domicile of the parent/legal guardian. It requires both physical presence in the District and the intent to remain there.

Registrants must provide at least two pieces of evidence to verify residency. Examples of acceptable documents are outlined below. The Board designee will identify and append copies of the documents provided.

- **A deed or other proof of real property ownership**
- **A lease or rental agreement**
- **A utility bill in the parent/guardian's name which shows an address within the District**
- **The address on the parent/guardian's driver's license**
- **A record of the parent/guardian's voter registration**
- **A recent income tax return showing the parent/guardian's name and address within the District**
- **A current paycheck stub showing the parent/guardian's name and address within the District**
- **Documentation illustrating the parent/guardian is receiving public assistance benefits at an address within the District**
- **U.S. Department of Homeland Security documentation establishing District residence and U.S. resident status**

Shared Domicile

In the case of a person claiming residence by virtue of a shared domicile within the District, a notarized statement from a person with whom the family is sharing a home is not sufficient documentation. Further evidence of residency, as outlined above, is required.

Custodial Issues

The child's residence is assumed to be the District in which the custodial parent resides. A copy of the court order should be requested and kept on file in the school office. In the event a student's time is divided between the residences of both parents, the parents may choose either residence for the school of attendance. One school district is not required to transport the child to the other school district.
