

Plattsburgh City School District Goals

Updated November 2019

Goal #1 – The district will score 70/100 points (cumulative average of all buildings) on the Data Driven Instruction Implementation Rubric (Uncommon Schools Research). The Data Driven Implementation tool will be completed annually by the District Wide Educational Improvement Committee (DWEIC).

Goal #2 – The district identifies that attending to the whole child is important when educating children. The district will encourage a proactive approach to address the health and wellness of all students within our district.

Goal #3 – Embed research based reading and writing practices in all content areas.

Goal #4 – Establish a consistent and aligned curriculum that supports the rigor/expectations of the New York State Learning Standards in Mathematics.

Goal #5 – The Plattsburgh City School District will identify curricular programming to ensure that students receive current and necessary coursework to be college and career ready inclusive of core academic knowledge and skills, career specific knowledge and tools and key behaviors/social skills to transition to college and workforce .
