Dear colleagues:

The start of a school year like none other will soon be upon us. Never before has reopening been so uncertain and our situation so fluid, and never before have students so needed their teachers and the structure of school.

Opening day for faculty and staff is Tuesday, September 1, 2020. There will be no full-staff gathering this year. Instead, the first few hours will be reserved for individuals to independently view certain opening day videos (notably the annual Right-To-Know presentation, and a required COVID presentation). These videos will be provided tomorrow. Principals will have the latitude to hold building-level meetings late-morning or in the afternoon on Tuesday, and beyond these commitments, faculty and staff will have the balance of Tuesday, September 1st and Wednesday, September 2nd to prepare for students' return on Tuesday, September 8th.

Wishing us all success for a safe, smooth, and rewarding return to school,

Jay Lebrun
Superintendent of Schools
